

A Template for Designing an Internationalising the Curriculum Workshop

Target Group	
What are the needs of the target group?	
What is the overall aim of your workshop? What is the key message that you want to convey?	
What are the specific objectives?	
What are the intended learning outcomes?	
What are the approaches that you will take in order to meet your objectives and for participants to achieve the intended outcomes? What will be the 'activities'?	
Who will facilitate the workshop?	
What resources do you need?	
What challenges/obstacles are you likely to meet?	
How can you overcome the challenges/obstacles?
