❶ The college is the administrative body for extension programs of four US universities, all from the New England area: Clark University (Massachusetts), Northeastern University, Boston (Massachusetts), New England College (New Hampshire), and the University of New England (Maine). Duties include managing all aspects of the EFL program, including:

- Ensuring smooth running of the program, interacting with managerial, academic and administrative staff, hiring and supervising faculty for all three campuses (Tel-Aviv, Haifa and Jerusalem), delivery in-service training, facilitating team work, ensuring quality control, and dealing with student enquiries, requests and problems.
- Writing syllabuses and creating the academic writing programs and materials (for business, health science and educational counseling streams) at both the graduate and undergraduate levels.
- Teaching academic writing, thesis preparation, professional communication and oral presentation skills in the graduate and undergraduate programs of all four of the US extensions in Israel mentioned above.
- Giving seminars on oral presentation skills for thesis presentations for Clark graduate students.
- Teaching the postgraduate course "Advanced professional communication" for one of the Clark U. graduate programs in Israel (Master of Science in Professional Communication).
